RECOMMENDATION

That Council adopt the November 22, 2022 Regular Council Meeting Agenda as presented or amended.

Vision: The Place to Grow. Mission: Creating the Place to Grow.

MEETING DATE:	November 22, 2022
SUBJECT:	Larry Evans
ORIGINATING DEPARTMENT:	Legislative Services

BACKGROUND/PROPOSAL:

Mr. Larry Evans, a resident of the Town of Didsbury, is requesting Council to consider changing the Community Standards Bylaw to allow off-highway vehicles.

DISCUSSION/OPTIONS/BENEFITS/DISADVANTAGES

Community Standards Bylaw 2012-04 states:

PART VI – OFF HIGHWAY VEHICLES

- 29 In this Bylaw, unless the context otherwise requires, the word, term or expression <u>"Off-highway</u> <u>vehicle"</u> means any motorized mode of transportation built for cross-country travel on land, water, snow, ice or marsh or swamp land or on other natural terrain and, without limiting the generality of the foregoing, includes when specifically designed for such travel.
- 30 The use of an off highway vehicle is prohibited within the town

EXCEPTIONS

- 31. That the operation of Off-Highway Vehicles be restricted to use in an emergency situation only.
- 32. Loading and unloading of an off highway vehicle for transport is permitted.
- *33.* In this Bylaw, "<u>Emergency</u>" means: a situation of a serious nature which has developed suddenly, constitutes an imminent threat, and demands immediate action to protect property from damage by the elements or to protect members of the public from a serious and imminent threat to health or safety.

ALIGNMENT WITH STRATEGIC PLAN

4. Healthy Active Living

RECOMMENDATION

That Council thank Mr. Larry Evans for attending the meeting, accept his presentation as information, and that his request be referred to the Policy & Governance Committee for further exploration and recommendation.

Vision: The Place to Grow. Mission: Creating the Place to Grow.

MEETING DATE:	November 22, 2022
SUBJECT:	Didsbury Municipal Library Board
ORIGINATING DEPARTMENT:	Legislative Services

BACKGROUND/PROPOSAL:

Members of the Didsbury Municipal Library Board will be present to provide Council with a year-end Report.

DISCUSSION/OPTIONS/BENEFITS/DISADVANTAGES

AQUATICS

The Didsbury Aquatic Centre continued to see significant use throughout the summer months, with summer swim lessons, Summer Fun rentals and other programs being very well-attended. September brought the return of school board swim lessons and our facility will host students from Didsbury, Carstairs and Cremona throughout the 2022/23 school year. We held our annual maintenance shutdown for the first two weeks of September and during that period mechanical repairs, painting, slide tower repairs and deep cleaning were accomplished. Our 50+ AquaFit program that runs Mondays, Wednesday and Fridays, taught by David Atchison, is achieving record numbers, with attendance reaching above 50 people on some days.

ARENA

Administration has been working with Fortis over the past several months regarding an upgrade that is required for the west transformer that serves the Didsbury Memorial Complex. This transformer supplies power to the arena, curling rink, ice plant and MPR. Due to the nature of some of the services attached to the transformer, specifically the ice plant, it is peaking above its capacity during certain times of the year and requires an upgrade. The costs of this upgrade are covered by Fortis in full, however the Town of Didsbury will see increased wire and consumption charges due the increased power supply once the upgrade is complete (early 2023). Fortis estimates an increase of \$5800/year, or \$483/month, which will be shared amongst the facilities served by this transformer.

In August 2022, the Didsbury Arena was host to three hockey camps – the Mountain View Colts camp, an all-girls hockey camp, and to Edge Hockey School, a camp operated by former NHL player Jason Jaffray. The Edge Hockey camp was a full-facility rental for the Town, with use of both arena surfaces, the MPR and the pool during this week-long camp. The arena was booming throughout this three-week period and it was very exciting to welcome hundreds of players to our facility from around the province. We look forward to hosting these camps again in 2023!

COMMUNITIES IN BLOOM

The Town of Didsbury re-entered into the provincial Communities in Bloom program in 2022, after a several year hiatus. A Didsbury Communities in Bloom (CiB) committee was established this spring, with interest from many local gardening and landscaping enthusiasts. On July 29, two provincial CiB judges visited Didsbury for our tour and were welcomed by staff, CiB committee members and Didsbee! A full-day tour of the community was conducted with stops at the Museum, Complex, Memorial Park, campground and other areas of interest. The judges were very interested in a number of initiatives within our community and the CiB group will be presenting the feedback received to Council in January.

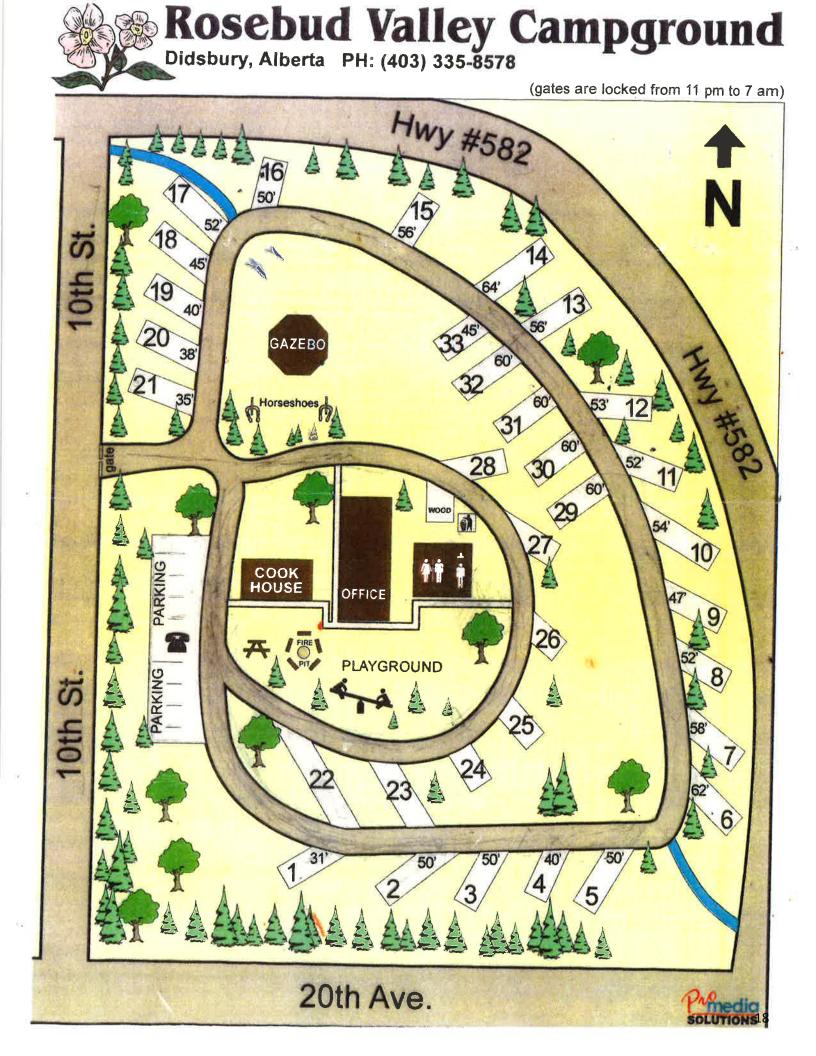

MOUNTAIN VIEW FAMILY RESOURCE NETWORK

In September 2022, the Town of Didsbury was notified that our current three-year contract with the Province for the Mountain View Family Resource Network (MVFRN) was to be extended for an additional one-year period. This extension has resulted in a full reworking and submission of a program plan, budget and outcome expectations, which was due October 31, 2022. This is exciting news for the families that we serve across Mountain View County, and we are looking to fine tune our services based on the needs that have presented themselves over the last two and a half years of MVFRN operation.

ROSEBUD VALLEY CAMPGROUND

The summer camping season at the Rosebud Valley Campground was another success in 2022, achieving \$62,460 by the end of September in camping fees, exceeding the \$60,000 budgeted revenues for 2022. This campground continues to be a destination for visitors to our community, with many repeat customers each year. In late September, Council approved a trial of winter camping from October 2022 to March 2023. Administration will be monitoring this trial and provide feedback and recommendations to Council in Spring 2023.

At the November 8, 2022 Regular Council Meeting, Council made a motion requesting Administration provide a map of the Rosebud Valley Campground. Please see attached map.

Vision: The Place to Grow. Mission: Creating the Place to Grow.

MEETING DATE:	November 22, 2022
SUBJECT:	Bylaw 2022-19 Utility Charges
ORIGINATING DEPARTMENT:	Corporate Services

BACKGROUND/PROPOSAL:

Annually, to coincide with the budget process, Administration recommends a review and update of the Utility Charges Bylaw. Ideally, this bylaw will receive three readings prior to year end so that the changes coincide with the fiscal year.

DISCUSSION/OPTIONS/BENEFITS/DISADVANTAGES

The Utility departments are self-supported; therefore, an increase/decrease in budgetary costs equates to a corresponding increase/decrease in utility charges. At this stage, the budget has not yet been presented or approved, but the bylaw is coming for first reading to provide a first look at expected rate changes and for other considerations.

Fixed charges will now be assessed based on meter size in a building, as Administration has collected the required information for the users of the system. Upon approval of the bylaw, fixed charges will no longer be assessed based on types of customers (residential, commercial, institutional).

Another consideration for Council is adding a fee of \$2 per bill per month for printed and mailed utility bills. Currently, the cost of printing and postage is being split across all users, whether they have their bill printed and mailed to them or emailed to them. Administration feels that \$2 is an appropriate charge which will not be a burden on those who still want a paper bill, while covering postage and printing costs. It may also convince others, who don't have a preference, to switch to emailed bills. As well, the cost of printing and mailing bills would then be charged to only those using that service.

The change of service charge is proposed to remain at \$35 per change. In 2022, Council passed a motion for the summer months to reduce the service charge associated with adding a green bin to \$15 to accommodate customers seeking compost disposal solutions. There were 21 customers that were charged the lower rate of \$15. During this period, a rebate was also provided for customers purchasing a compost bin from a local retailer. Three customers took advantage of this \$50 rebate.

Preliminary calculations have been prepared based on an initial budget which was not yet been tabled. At this time, the water rates effective April 1, 2023 are not established. The fees paid to the waste commission for the Town's membership have also not yet been incorporated. Therefore, changes to the fees may occur depending on the changes to the budget.

The water rates set are based on estimated consumption used and billed. If actual are lower or higher than budgeted, revenues may not be as strong as anticipated and/or costs may be higher resulting in a net loss to the department. To reduce this risk, Council may consider increasing the portion of the fixed cost per month.

Administration is recommending Council grant first reading of Bylaw 2022-19 and refer to the Strategic Planning Committee for further review.

ALIGNMENT WITH STRATEGIC PLAN 3. Infrastructure & Asset Management

RECOMMENDATION

That Council grant first reading to Utility Charges Bylaw 2022-19, and refer it to the Strategic Planning Committee for review and recommendation.

A BYLAW IN THE TOWN OF DIDSBURY FOR REGULATING AND PROVIDING FOR THE TERMS, CONDITIONS, RATES AND FEES FOR THE SUPPLY AND USE OF WATER, WASTEWATER and SOLID WASTE SERVICES.

WHEREAS, pursuant to section 3 of the *Municipal Government Act*, being the Revised Statutes of Alberta 2000, Chapter M-26, as amended, the purposes of a municipality are to provide services, facilities or other things that, in the opinion of Council, are necessary or desirable for all or a part of the municipality; and

WHEREAS, pursuant to section 7(g) of the *Municipal Government Act* a Council of a municipality may pass bylaws for municipal purposes respecting public utilities; and

WHEREAS, it is deemed just and proper to levy a water service rate on all Persons occupying property connected with the water system of the Town to assist with the costs of constructing and maintaining the system including the cost of treatment and distribution of water; and

WHEREAS, the Town of Didsbury is a member of Mountain View Regional Water Services Commission, a municipally owned corporation which operates the Anthony Henday Regional water system and delivers water to the Town; and

WHEREAS, it is deemed just and proper to levy a wastewater service rate on all Persons occupying property connected with the wastewater system of the Town to assist with the costs of constructing and maintaining the system including the cost of treatment and distribution of wastewater; and

WHEREAS, it is necessary to protect both the systems and the environment; and

WHEREAS, the Town of Didsbury is a member of Mountain View Regional Waste Management Commission, a municipally owned corporation, which operates a regional landfill and receives solid waste from the Town;

NOW, THEREFORE, the municipal Council of the Town of Didsbury, in the Province of Alberta, duly assembled, enacts as follows:

1. Short Title

This Bylaw shall be known as the "Utilities Charges Bylaw"

2. Definitions

Customer means any person, business and any other municipal corporation, the Government of Alberta or the Government of Canada, who utilizes municipal utility services or any lessee or Occupant, or any person who requests utility services or has applied for an Account or is otherwise responsible for paying such Account for utility services.

Dwelling Unit means a complete building or self-contained portion of a building for the use of one or more individuals living as a single housekeeping unit, containing sleeping, cooking and separate toilet facilities intended as a permanent residence.

Eligible Residence means a residential building, which contains four or less dwelling units.

Fixed means a flat monthly charge, which does not fluctuate month to month.

Variable mean charges that are based on water consumption for the billing period.

3. Paramount Rules

3.1 If the provisions in any other bylaw conflict with the rules in this Bylaw, this Bylaw will prevail.

4. General Provisions

- 4.1 Utility departments in the Town of Didsbury are self-supported, therefore are not subsidized by property taxes.
- 4.2 For rate accuracy and justification, each utility service (water, wastewater and solid waste), is its own product line and is budgeted for and accounted for separately.
- 4.3 All customers receiving utility services shall pay the utility charges set out in Schedule "A".
- 4.4 Water and Wastewater Infrastructure Fees are fixed and will cover debt coverage and future capital investment.
- 4.5 Water Consumption Charges are variable and will cover the cost of water from the Mountain View Regional Water Services Commission.
- 4.6 Water and Wastewater Distribution Charges are variable and will cover the cost of operations and maintenance associated with the system.
- 4.7 Solid Waste Service Fees cover all costs associated with the solid waste utility.

5. Water and Wastewater Utility Charges:

- 5.1 A water and wastewater Infrastructure Fee will be determined annually based on the customer's connected water meter size as set out in Schedule "A" of this Bylaw. once the required data is available to implement. Until such time, a water and wastewater Infrastructure Fee will be determined annually as follows:
 - 5.1.1 For residential use, infrastructure fees are charged to each dwelling unit, regardless of whether a unit is individually metered.

5.1.2—For commercial or industrial use, infrastructure fees are charged per metered account.

5.1.3 For properties deemed to be institutional in nature, infrastructure fees are charged per metered account.

- 5.2 In the case of non-use of service(s), each customer shall continue to pay an infrastructure fee as set out in Schedule "A" of this Bylaw.
- 5.3 Consumption and distribution rates will be determined annually in accordance with the annual collective water consumption.
- 5.4 Where the calculation of a utility charge is based on the consumption of water, the quantity used shall be determined from the current and previous water meter readings as recorded by the Town, or if an actual water meter reading is not available, by an estimated consumption based on the previous average consumption of the service.
- 5.5 Where a serviced property is not located in the Town of Didsbury, a security deposit equal to an estimated three months of service must be collected prior to services being provided due to the inability to transfer unpaid accounts to the tax roll.
- 5.6 Where a serviced property is not located in the Town of Didsbury, a surcharge of 35% on all charges will be applied.
- 5.7 If any part of a utility bill remains unpaid after the due date specified on the utility bill, there shall be added thereto a penalty in the amount as set out in Schedule "A" of this bylaw compounded monthly on the charges of the bill.
- 5.8 If payment is not received a) on residential property forty-five (45) days or b) on commercial property thirty (30) days after the due date specified on the utility bill, the water service may be turned off and not turned on until such time as the utility account including arrears and a reconnection fee as specified in Schedule "A" of this bylaw is paid in full.
- 5.9 No reduction in charges shall be made for any interruption in water or wastewater services during a billing period.

- 5.10 Where service to a customer is to be discontinued, a final billing shall be calculated on a pro-rated basis from the date of the last billing to the date of discontinuance.
- 5.11 The Town shall levy utility charges for all customers on a monthly basis.
- 5.12 Any customer to whom utility services have been shut off, shall, upon having paid any utility fees owing, and upon requesting the Town to restore utility services, pay to the Town a non-refundable disconnection fee and reconnection fee as set out in Schedule "A" of this Bylaw.
- 5.13 Any debit or credit adjustments to a customer's account for utility services will be applied up to a maximum of one year.
- 5.14 The charge for Water and Wastewater Services will apply even where there is no water and/or wastewater being consumed except in the case in which the water meter has not been installed.

6. Utility Services to Tenants

6.1 Utility bills shall only be issued to the owners of the property. The owner may request a duplicate copy to be sent to the tenants. Information or account changes regarding the utility account shall be communicated solely with the owner of the property.

7. Solid Waste Service Fees:

- 7.1 The property owner or occupant of a premises receiving Solid Waste Services from the Town is charged a fee as set out in Schedule "A" of this bylaw.
- 7.2 A Solid Waste Service Fee for Residential Garbage (black bin), Residential Recycling (blue bin) and Residential Compost (green bin) collection shall be determined annually.
- 7.3 The service fee shall be charged to each eligible residence receiving the solid waste utility service.
- 7.4 Additional fees for each added black bin, blue bin and green bin will be determined annually. Each additional collection container shall be charged a fee as set out in Schedule "A" of this bylaw.
 - 7.4.1 Thirty (30) days' notice is required when additional collection containers are added or removed.
- 7.5 The charge for Solid Waste Services will apply even where there is no Solid Waste set out for collection, except in the case in which occupancy has not been granted.
- 7.6 An administrative fee for any change of service will be charged as set out in Schedule "A" of this bylaw.

8. Transitional

- 8.1 All versions Utility Charges Bylaw 2022-02 are hereby repealed.
- 8.2 That this Bylaw shall take effect on January 1, 2023.
- Read a first time this day of 2022
- Read a second time this this day of 2022
- Read a third and final time this 2 this day of 2022

MEETING DATE:	November 22, 2022
SUBJECT:	Bylaw 2022-18 Corporate Services Rates and Fees
ORIGINATING DEPARTMENT:	Corporate Services

BACKGROUND/PROPOSAL:

Council gave first reading to Corporate Services Rates and Fees Bylaw 2022-18 at the November 8, 2022 Regular Council Meeting and referred it to the Strategic Planning Committee for review.

DISCUSSION/OPTIONS/BENEFITS/DISADVANTAGES

The Strategic Planning Committee met on November 16, 2022 and are recommending Corporate Services Rates and Fees Bylaw receive second reading.

The committee discussed the credit card surcharge and agreed that a surcharge of 1.5% be charged on all credit card payments. This is a change from in the past in which an administrative fee was charged on credit card payments for taxes only. The committee requested additional information be brought back about the proposed RCMP fees.

Please find attached Bylaw 2022-18 which includes rates and fees charged for Financial Services, Legislative Services and Protective Services which are set out in Schedule "A".

ALIGNMENT WITH STRATEGIC PLAN

2. An Informed & Engaged Community

RECOMMENDATION

That Council grant second reading to Corporate Services Rates and Fees Bylaw 2022-18 and refer it back to the Strategic Planning Committee for further review.

MEETING DATE:	November 22, 2022
SUBJECT:	Direct Control Development Permit DP 22-061 (1755545 Alberta Ltd.)
ORIGINATING DEPARTMENT:	Planning & Development

BACKGROUND/PROPOSAL:

Administration has received an application in a Direct Control District for two (2) Accessory Buildings – Tarp Buildings located at 3001 – 23 Street. The property is currently zoned DC-01: Direct Control District – Industrial.

DISCUSSION/OPTIONS/BENEFITS/DISADVANTAGES

The applicant will be constructing two (2) Accessory Buildings – Tarp Buildings as outlined in the Site Sketch. These Accessory Buildings will be located on the East side of the property beside the Existing Tarp Buildings #4 and #5 as shown in the attached **Schedule C**.

The buildings will be engineered fabric structures to be used for cold storage and piping fabrication and assembly. No foundation is required as the Tarp Buildings will be anchored by concrete blocks.

The size of the buildings are:

Building #1: 44 feet (13.41 metres) x 102 feet (30.48 metres) with a height of 26 feet (7.92 metres) Building #2: 30 feet (9.14 metres) x 50 feet (15.2 metres) with a height of 24 feet (7.31 metres)

The property is quite large and does have the ability to accommodate the addition of these two (2) Accessory Buildings.

Notice of the proposed development was circulated to adjacent landowners as a courtesy. Administration did not receive any responses to the circulation.

Administration is recommending Council approves DP 22-061 for two (2) Accessory Buildings – Tarp Buildings as outlined in the Site Sketch subject to the following conditions 1 through 6:

Location on Lot & Nature of Development

1. That the nature of the development conforms to the approved site plan, building plans, and the principles set forth in the application;

2. That the applicant/developer contact Alberta One Call to locate any utility lines prior to construction;

Safety Code Permits

3. That the developer obtains a Building Permit and any other applicable safety codes permits (i.e. electrical, plumbing, gas) in accordance with the Safety Codes Act. Note: The Accessory Buildings shall not be occupied until a final inspection has been completed and a Permit Services Report has been issued;

Vision: The Place to Grow. Mission: Creating the Place to Grow.

Site Cleanliness/Safety

4. That refuse and garbage during construction shall be kept in appropriate containers and/or properly screened and placed in an approved enclosure until removed for disposal. The applicant/developer is responsible for all construction waste and garbage, site cleanliness, site safety, and is financially responsible for the clean-up of the same;

General Requirements

5. That the Development Officer may, by notice in writing, suspend a Development Permit where development has occurred in contravention to the terms and conditions of the permit and/ or Land Use Bylaw;

6. That, if the development authorized by this development permit is not completed as per the requirements of the Land Use Bylaw, such permit approval ceases and the permit is deemed void, expired, and without effect, unless an extension to this period has been previously granted.

ALIGNMENT WITH STRATEGIC PLAN

2. An Informed & Engaged Community

RECOMMENDATION

That Council approves DP 22-061 for two (2) Accessory Buildings – Tarp Buildings as outlined in the Site Sketch and the conditions.

CERTIFICATION:

I hereby certify that this report, which includes the attached plan and related survey, was prepared and performed under my personal supervision and in accordance with the Manual of Standard Practice of the Alberta Land Surveyors' Association and supplements thereto. Accordingly within those standards and as of the date and of this report, I am of the opinion that:

- 1. the plan illustrates the boundaries of the property, the improvements as defined in part D, Section 8.5 of the Alberta Land Surveyors' Association's Manual of Standard Practice, registered easements and rights-of-way affecting the extent of the title to the property;
- 2. the improvements are entirely within the boundaries of the property;
- 3. no visible encroachments exist on the property from any improvements situated on an adjoining property;
- no visible encroachments exist on registered easements or rights-of-way affecting the extent of the property. 4.

PURPOSE

This Report and related plan have been prepared for the benefit of the Property owner, subsequent owners and any of their agents for the purpose of (a land conveyance, support of a subdivision application, a mortgage application, a submittal to the municipality for a compliance certificate, etc.). Copying is permitted only for the benefit of these parties, and only if the plan remains attached. Where applicable, registered easements and utility rights of way affecting the extent of the Property have been shown on the attached plan. Unless shown otherwise, property corner markers have not been placed during the survey for this report. The attached plan should not be used to establish boundaries due to the risk of misinterpretation or measurement error by the user. The information shown on this Real Property Report reflects the status of this property as of the date of survey only. Users are encouraged to have the Real Property Report updated for future requirements.

Schedule D – Location

Proposed Development Accessory Buildings – Tarp Buildings 3001 – 23 Street (Facing East from 23 Street) Arrows Showing Proposed Location of Buildings

Vision: The Place to Grow. Mission: Creating the Place to Grow.

MEETING DATE:	November 22, 2022
SUBJECT:	Direct Control Development Permit DP 22-062 Care Facility (Animal)
ORIGINATING DEPARTMENT:	Planning & Development

BACKGROUND/PROPOSAL:

Administration has received an application for a **Care Facility (Animal) – Dog Daycare** located at Unit #1, 2825 – 19 Street. The property is zoned DC-IND: Direct Control District – Industrial. Uses allowed in this District shall be at the discretion of Council.

Care Facility (Animal) is defined as:

CARE FACILITY (ANIMAL) – means a Development used for the accommodation, boarding, breeding, impoundment, training, and medical treatment of livestock animals which also includes household domestic animals. Typical uses include veterinary clinics and 24-hour veterinary services.

DISCUSSION/OPTIONS/BENEFITS/DISADVANTAGES

The applicant is looking to operate a Dog Daycare. The purpose of the Dog Daycare is to provide dog owners in Central Alberta with a safe & trustworthy place to bring their dogs for daycare, grooming, training, rehabilitation, and professional photography.

The proposed Dog Daycare will be operated by professionals with more than 15 years of experience handling & rehabilitating dogs on a full time basis. The applicants currently own and operate a boarding & training facility located in Strathmore, Alberta.

The Applicant will be renovating the interior of the building to include a 30 ft. x 22 ft. indoor heated space for daycare use, a 10 ft. x 12 ft. office and a 22 ft. x 20 ft. photo studio. The outside area will have a 10 ft. x 20 ft. fenced dog run with a future expansion of a 20 ft. x 35 ft. fenced dog run.

Land Use Bylaw 2019-04- Section 3-60 "Parking Stall Requirements" *Office/Care Facility (Clinic)/Animal Services* 2.5 stalls per 100 meters² (1076.39 feet²) gross floor area

Under the Land Use Bylaw, 2.5 parking stalls are required for every 1076.39 sq. ft. of gross floor area. The approximate floor area of this development is 1200 sq. ft. Therefore, the required number of parking stalls for this space would be just over 2.5 stalls. The applicant is able to meet the parking requirements and will be able to provide parking at the front of the building. However, parking will not be an issue as the stalls would only be required for drop off and pick up times throughout the day. Hours of operation will be 6:00 a.m. to 6:00 p.m. Monday to Friday.

Notice of this proposed development was circulated to adjacent landowners for the opportunity to comment; Administration did not receive any responses to the circulation.

Administration is recommending Council approves DP 22-062 for Care Facility (Animal) – Dog Daycare as outlined in the Site Sketch subject to the following conditions 1 through 5:

Vision: The Place to Grow. Mission: Creating the Place to Grow.

Location on Lot & Nature of Development

1. That the nature of the development conforms to the approved site plan, building plans, and the principles set forth in the application.

Safety Code Permits

2. That the developer obtains a Building Permit and any other applicable safety codes permits (i.e. electrical, plumbing, gas) in accordance with the Safety Codes Act. Note: the Care Facility shall not be occupied until a final inspection has been completed and a Permit Services Report has been issued.

Site Cleanliness/Safety

3. That refuse and garbage during construction shall be kept in appropriate containers and/or properly screened and placed in an approved enclosure until removed for disposal. The applicant/developer is responsible for all construction waste and garbage, site cleanliness, site safety and is financially responsible for the clean-up of the same.

General Requirements

4. That the Development Officer may, by notice in writing, suspend a Development Permit where development has occurred in contravention to the terms and conditions of the permit and/ or Land Use Bylaw;

5. That, if the development authorized by this Development Permit is not completed as per the requirements of the Land Use Bylaw, such permit approval ceases and the permit is deemed void, expired and without effect, unless an extension to this period has been previously granted.

ALIGNMENT WITH STRATEGIC PLAN

1. Economic Prosperity

RECOMMENDATION

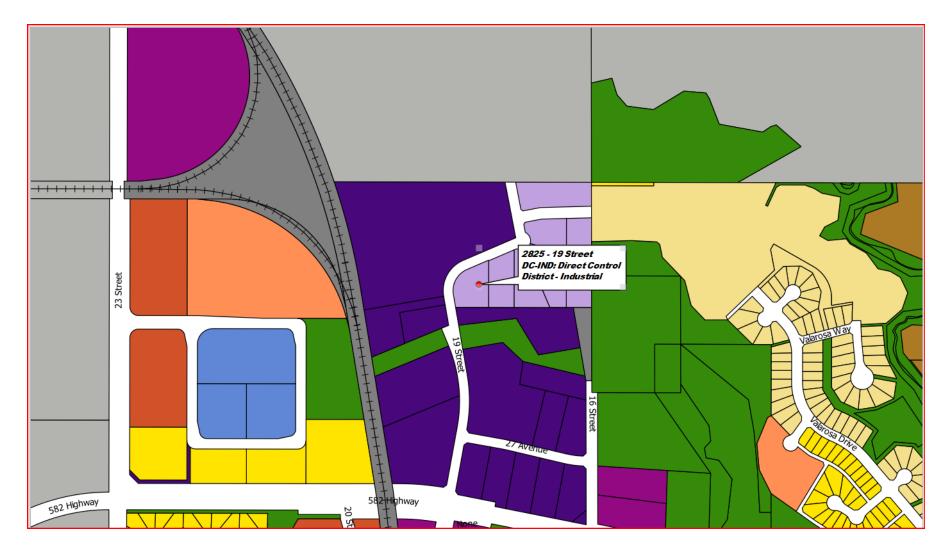

That Council approves DP 22-062 for a Care Facility (Animal) – Dog Daycare as outlined in the Site Sketch and conditions as listed.

Executive Summary

Dogtown is a multi-service canine centre, offering a unique array of services, capitalizing on multiple income opportunities and expanding the target market province wide.

Dogtown is operated by professionals with more than 15 years of experience handling and rehabilitating dogs full time in our current family-owned and operated boarding/ training facility. Kim & Dan Mantai own Eagle Lake Boarding Kennel & Rehabilitation Centre near Strathmore, Alberta.

Dogtown's purpose is to provide dog owners of Cental Alberta with a safe and trustworthy place to bring their dogs for daycare, grooming, training, rehabilitation and professional photography.

Overview of Services

Daycare

With capacity to handle 10-15 dogs per day, the daycare is structured to provide each dog with a full day's worth of supervised exercise, socialization, and outside playtime, balanced with rest and down-time in the large indoor space. The daycare will provide Dogtown with consistent income from loyal clients within the local region, and funnel-in grooming, training, rehab, and photography opportunities. Dogs will be separated by size and levels of sociability, and there will be several different areas where they can socialize with other dogs that bark up the same tree.

Grooming

Dogtown will hire a groomer and provide them a top-notch grooming area where they will have everything they need to groom Dogtown's clients, as well as any clients they bring in.

Puppy training

The routine and calm-assertive leadership during supervised socialization the dogs experience at Dogtown is an ideal setting for puppies to learn routine, rules, and respect. Along with what the dog learns at Dogtown, consultations will be done with the owners to ensure they know what to do at home to ensure long-lasting success.

Behaviour training

Clients begin with a one on one assessment with their dog, where a plan of action is put into place suited for each dog's particular needs regarding behaviour modification training. The positive environment at Dogtown, combined with the calm-assertive leadership displayed by the staff, is an ideal environment for shy and nervous dogs to learn to come out of their shell and play with other dogs. Dogs often misbehave because they have excess energy and don't get enough exercise on a regular basis, as well as not having their natural instincts satisfied. The recreational activities at Dogtown provide perfect outlets for training clients and can provide owners with the solution to what has been missing in their dog's life.

Photography

Dan Mantai is a Photojournalism graduate from The Southern Alberta Institute of Technology who has worked as a freelance portrait and landscape photographer for the past 8 years. A full-service photography studio will be incorporated into Dogtown and can provide clients with professional studio photos of their dogs, while also being able to serve human clients looking for professional photography services.

Side note – Aqua Therapy

Dan will be completing a course in canine rehabilitation therapy, and will be able to create and implement therapy plans to increase my canine clients' mobility and minimize any pain they may be experiencing as a result of an injury or chronic condition. Dogtown will work with the client through the treatment plan, making adjustments as necessary to ensure that progress is being made in each session. Having an Aqua Therapy pool will be a major benefit of Dogtown's rehabilitation services, as swimming is the best form of exercise for dogs recovering from injury, surgery, or trying to lose weight. The buoyancy of water helps support body weight, taking the pressure off joints. This makes swimming and other water-based activities good choices for dogs who have suffered knee injuries, and provides them with adequate exercise and helps maintain cardiovascular fitness at a time when injuries might otherwise keep them on the sidelines.

MEETING DATE:	November 22, 2022
SUBJECT:	Old Didsbury High School land
ORIGINATING DEPARTMENT:	Legislative Services

BACKGROUND/PROPOSAL:

The Town of Didsbury purchased the lands commonly known as the old Didsbury High School site in 2008. The lands are made up of two parcels: Plan 0514037, Block 18, Lot 1 – approximately 3.4692 acres and Plan 5116I, Block 15, Lot 8 – approximately 0.1492 acres. The lands are zoned Institutional.

Administration has fostered discussion in potential uses of this land and there has been recent interest in it with some unique development proposals.

Therefore, Administration is recommending that these lands be listed for sale.

DISCUSSION/OPTIONS/BENEFITS/DISADVANTAGES

In addition to the price it is recommended that Council consider the value of a proposed development to the town as being a significant deciding point.

It is also recommended that the successful developer be required to develop and complete development in a timely manner.

ALIGNMENT WITH STRATEGIC PLAN

1. Economic Prosperity

RECOMMENDATION

That the lands commonly known as the old Didsbury High School site be listed for sale, with a requirement for timely development, in consideration of the value of the development proposal and the purchase amount, to be decided upon by Council.

Vision: The Place to Grow. Mission: Creating the Place to Grow.

MEETING DATE:	November 22, 2022
SUBJECT:	DEDAC Chair and Vice Chair Appointment
ORIGINATING DEPARTMENT:	Economic Development & Strategic Operations

BACKGROUND/PROPOSAL:

Didsbury Economic Development Committee (DEDAC) Chair, Mike Crampton, and Vice Chair, Shelly Daly, completed their terms on DEDAC in October and decided to not continue on the committee. DEDAC is making a recommendation to Council for appointments of a new Chair and Vice Chair.

DISCUSSION/OPTIONS/BENEFITS/DISADVANTAGES

At their November 14, 2022 meeting, DEDAC decided to make a recommendation to Council for a new Chair and Vice Chair.

- Meaghan Neis is a long standing member of DEDAC and has contributed to the committee through discussions, ideas, and project work. Therefore, the committee felt that she would be an excellent fit as Chair.
- Although he is a new DEDAC member, Phil Boucher has been part of DEDAC since its inception while working for the Town of Didsbury in Economic Development and Planning. Due to his vast knowledge of the committee and municipal government, the committee felt he would be a great fit as the DEDAC Vice Chair.

ALIGNMENT WITH STRATEGIC PLAN

1. Economic Prosperity

RECOMMENDATION

That Council appoints Meaghan Neis as the Chair and Phil Boucher as the Vice Chair of the Didsbury Economic Development Advisory Committee.

Vision: The Place to Grow. Mission: Creating the Place to Grow.

MEETING DATE:	November 22, 2022
SUBJECT:	Correspondence and Information
ORIGINATING DEPARTMENT:	Legislative Services

BACKGROUND/PROPOSAL:

Correspondence received from other agencies and departments of the Town, which may be of importance and interest, is being provided for Council's review and information.

Ethan Gorner Chief Administrative Officer Town of Didsbury PO Box 790 Didsbury AB T0M 0W0

Dear Ethan Gorner:

I thank you and the Town of Didsbury council for taking time during the Alberta Municipalities Fall 2022 Convention to meet with the former Minister of Municipal Affairs and me to discuss the town's concerns about Intermunicipal Collaboration Frameworks (ICFs), and your suggestions for possible improvements to the Municipal Government Act (MGA).

The ministry appreciated the opportunity to hear the town's concerns and build on our relationship during the meeting. As discussed, Municipal Affairs intends to undertake a review of the ICF provisions of the MGA, and will consider your proposed MGA changes as part of that review.

Please do not hesitate to contact my office if you require any additional information regarding the topics discussed during the convention, or if you have any other questions or concerns.

Sincerely,

Brandy Cox

Deputy Minister
